Date: 08 April 2026

To: Mr. C.H. Mallikarathne
Student ID: COBSCCOMP242P-009
Programme: BSc (Hons) Computing

Subject: Appointment of Project Supervisor

Dear Mr. C.H. Mallikarathne,

This is to formally inform you that **Mr. D.N.S. Dharmaratne**, has been appointed as the **Research Project Supervisor** for your undergraduate project conducted under the **BSc (Hons) Computing 2024.2P** at the National Institute of Business Management.

The supervisor will provide academic guidance and monitor the progress of your research project throughout the project period.

Responsibilities of the Supervisor

- Provide academic and methodological guidance for the research project.
- Approve the research proposal and research direction.
- Monitor the progress of the project through regular meetings.
- Provide feedback on drafts of the report and presentations.
- Ensure the research follows academic and ethical standards.

Responsibilities of the Student

- Maintain regular communication with the assigned supervisor.
- Follow the guidance and feedback provided by the supervisor.
- Submit progress reports and drafts according to the project schedule.
- Conduct the research in an ethical and responsible manner.
- Undergo at least 15 minutes of supervision for a week to receive proper instructions.
- Submit the final report and complete all required assessments within the specified deadline.

You are advised to contact your supervisor at the earliest convenience to discuss the project plan and schedule regular meetings.

We wish you success in your research project.

Yours sincerely,

Dr. T.S.P. Weerasinghe
Head – Computer Science
School of Computing & Engineering
National Institute of Business Management

CC: Mr. D.N.S. Dharmaratne
